By Irish Yogurts Clonakilty

Method

- Marinate the chicken in the 2 heaped tablespoon of [Irish Yogurts Clonakilty Whole Milk Natural Live Yogurt](#) and 1 tablespoon of the dressing and leave for about an hour in the fridge.
- Pre heat the oven to 170°C. Remove the chicken from the marinade and place on a roasting tray lined with parchment paper and bake in the oven for 30 minutes. Take out of the oven and leave to rest.
- Increase the oven temperature to 200°C, toss the carrots in olive oil and maple syrup, season with salt and pepper, turn onto a lined baking tray and roast for 20-30 minutes until cooked but still having a little bite. Transfer to a large bowl and add the remainder of the dressing.
- Bring water and a pinch of salt to the boil in a large pot and add the fregola and cook until al dente about 6 minutes, then strain the fregola and run under cold water for a minute or two and leave to drain.
- Add the drained fregola to the carrots and dressing, add finely chopped spinach, mint and dill or fennel (reserving some herbs to garnish).
