Category: Dessert

Method

- Place the coffee and whiskey into a flat dish.
- Mix together the mascarpone cheese, icing sugar, yogurt and the whipped cream and add in three tablespoons of the coffee and alcohol mixture.
- Dip each slice of the hot cross buns into the coffee mixture and then immediately layer them decoratively in the serving bowl, placing some of the diced pears and creamy mixture in alternative layers.
- Finish with a layer of the creamy filling and then dust liberally with cocoa powder and/or chocolate shavings just before serving.
